

## **PAEDIATRIC (EARLY YEARS) FIRST AID**

### **BLENDED LEARNING**

Blended Learning is a combination of pre-course distance learning and face-to-face training

Part 1 – The distance learning comprises of worksheets completed prior to the face-to-face training day

Part 2 – The face to face training day reviews the worksheets and allows all candidates to practice and demonstrate the practical elements of the course.

The course content meets Ofsted requirements for first aid training in Early Years settings.
